3. Step-by-Step Login & Testing Instructions

Step 1	Open http://localhost:3000/login in any modern desktop or mobile browser.
Step 2	Click the 'Select Demo Role & Persona' dropdown menu located above the form.
Step 3	Select any role (e.g. Teacher or Parent). The system will immediately populate the corresponding email and password, and update the Role Dossier card.
Step 4	Click 'Sign In to SARBIX OS' . You will be authenticated via JWT session cookie and automatically redirected to your role's dedicated workspace.
Step 5	Notice the sidebar and mobile bottom navigation only show features relevant to that role. Attempting to navigate to other role routes will redirect safely.
